

# BAROQUE

WALL PANELING

COLLECTION

*Parquet wood floors - take your floors from*  
**Ordinary to extraordinary.**

Our BAROQUE COLLECTION of wood panels have been carefully handcrafted from Western European white Oak blocks, our raw materials are eco-friendly and legally harvested.

Each panel consists of bespoke hand shaped pieces of wood which are glued together, therefore ensuring easy installation.

Our wall panels come in 3 different finishes :

Natural: Coat of Urethane Lacquer which enhances the natural colours of Oak

Smoked or Semi-fumed which are both coated with UV Urethane Lacquer. Our UV Urethane Lacquers are formaldehyde free.

Wood panels should be mounted onto a smooth, dry timber surface, our open backed panelling only requires a thin film of adhesive for its application, so that a homogenous appearance is achieved.

Use of PVA - applied with a mini roller - is one very effective method, but always check the suitability of the glue being used to the wall surface to which it is being applied. Use a pin gun or panel pins to hold panelling in place, whilst the glue sets, and then remove or hammer afterwards.

These installations are for interior décor only, panels should be kept dry. Wood is also affected by UV light and will change in colour when exposed for long durations.

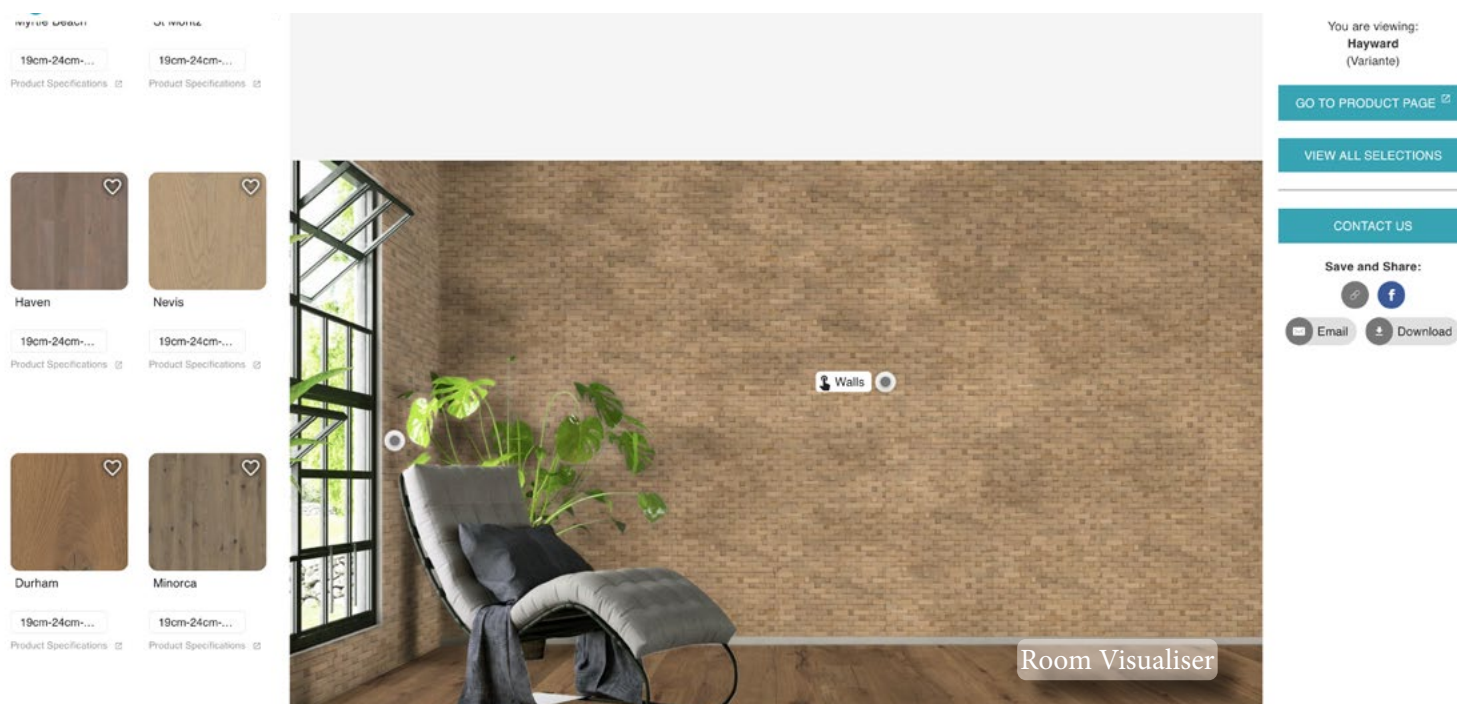

## Interactive Applications

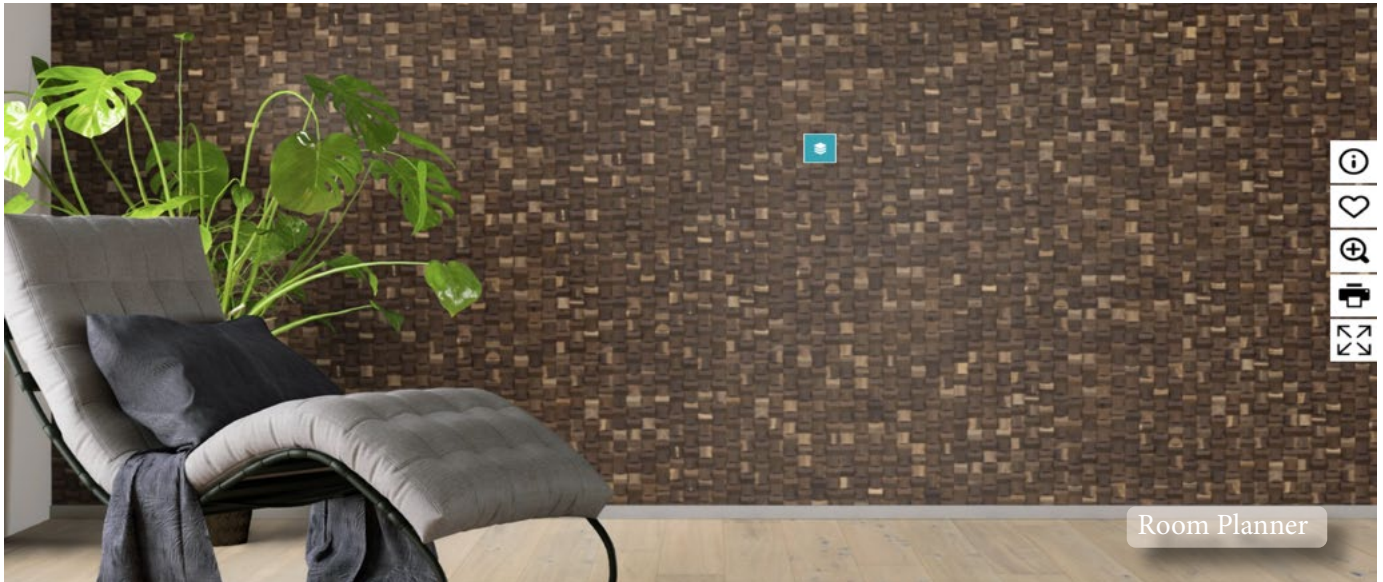

When selecting our Baroque Collection, we recommend that you try out our **Room Visualiser** and **Room Planner** viewable on [woodlineparquetry.com](http://woodlineparquetry.com)

Woodline Parquetry's revolutionary tools will help clients envision the wall panelling that best suits their space.

The **Room Visualiser** – accessible via all of our websites – allows anyone with a mobile device to take a photo of any room and apply any one of our Baroque Collection wall panels.

## Interactive Applications

Our **Room Planner** is another great tool to help your clients get an idea of how our wall panels will look in a variety of settings.

These tools have been developed to help customers to make their final decisions with confidence.
