REGA. RIGID CORE FLOORING

Product presentation

2024

REGA. ELEGANT AND TIMELESS

Rega herringbone pattern adds a sense of elegance to each interior. It makes small rooms appear larger and adds depth to larger spaces. The herringbone motif offers a chic and clean look that can give the room both modern and classic character.

Rega floor is a sophisticated and highly technologically advanced solution which will work in any interior.

REGA. KEY FEATURES
